Dragi učenci,

vaše opravljene naloge že prihajajo na moj mail. Me veseli, da se tako aktivno odzivате in sproti opravljate šolsko delo. Ta teden utrjujemo snov - čas Present Continuous. Ker se kaže potreba, da še malo ostanemo pri tej snovi, bo tudi naslednja ura namenjena temu. Najprej si pogledjmo prvo nalogo in nekaj vaših pravilnih odgovorov:

Vprašanje	Možen odgovor
1) <i>What's the date, which day is it and what's the time?</i>	It's 24th March, Tuesday, 10 a.m. opazi pravilen zapisa datuma, meseca in dneva
2) <i>What are you doing now?</i>	I'm doing my English homework.
3) <i>What are your family members doing now?</i>	My mum is cooking, my dad is working outside, my grandma is watching TV.
4) <i>If you have any pets/animals at home what are they doing?</i>	I have a cat. It's sleeping now.
5) <i>What are you doing a lot these days?</i>	I'm talking to my friends over the phone. I'm reading really interesting books.
6) <i>What are you eating a lot these days?</i>	I'm eating a lot of delicious homemade cooking.
7) <i>What are you not doing now/these days?</i>	I'm not going outside, I'm not shopping, I'm not attending school. I'm not running.

To je pravilna uporaba časa Present Continuous. Kot vidimo na primerih, vedno je prisotna struktura:

1	2	3	4
osebek	glagol biti	glagol s končnico ing	predmet, prislov, ...
I	AM	DOING	my English homework.
He/she/it/my dad/my sister/my cat	IS		
We/you/they/my family members/my friends	ARE

Naloga 2: Liveworksheets.com

Na spletu je veliko vaj. Ene izmed teh so interaktivne vaje, ki jih že poznate in uporabljate. Danes dodamo še ene, ki so kot natisnjeni izročki. Najdete jih na: liveworksheets.com. Nato vpišite Present continuous:

Dobite različne naloge, rešite te dve in kakšno po lastni izbiri.

Na mail mi pošljite rešitev 1. naloge in komentar na 2. nalogo (šlo mi je odlično/dobro/ne tako dobro).

Velik velik pozdrav!
