Dragi učenci,

drugi teden dela na daljavo je za vami. Ponovno ste ga uspešno opravili! Čestitke vsem in samo tako naprej! Oglejmo si, kaj smo naredili prejšnji teden, nato sledi navodilo za teden 3, za 6. - 10. april.

### Naloga prejšnjega tedna: Opiši člana družine

Prejela sem vaše zelo dobre opise, držali ste se navodil in uporabili vse tri iztočnice. Prilagam en odličen opis. Uganete, kdo ga je napisal?:

Opiš člana družine:  
I'm going to introduce my mum. She is 37 years old. She's not so tall, she measures 160 cm. She's got long brown hair and green eyes. She's a housewife. She's friendly and likes cooking and watching Spanish series.  
My mum usually gets up at 6 and then she takes me to school. She don't going to work, because she's a housewife. During this time when I'm in school my mum cooking and cleaning.  
Now my mum is in the kitchen and she is washing the dishes.
