Dragi učenci,

spet ste poslali pravilne in zanimive odgovore. Ja, fino bi bilo odpotovati nekam, kot pravite:

1. I would be at the seaside.
2. I would take my family, clothes and phone.
3. I would swim.

And ~~not what~~ what would you do? I would swim and sleep and eat.

If you could go anywhere where would you rather be - at the seaside, in the mountains or in the country?
I would be at the seaside.

And what would you take with you?
I would take a swim costume, cloth, money and sunscreen.

And what would you do?
I would swim.

1. If you could go anywhere, where would you rather be - at the seaside, in the mountains or in the country?
1. I would be at the seaside.
2. And what would you take with you?
2. Swimwear, sunglasses, clothes, sun cream, clippers, towel, deck chair, sweets and telephone.
3. And what would you do?
3. I would swim, hike, playing...

1. If you could go anywhere would you rather be - at the seaside, in the mountains or in the country?
1. I would be at the seaside.
And what would you take with you? I would take swimming costume, sunglasses, my phone, my dog, my clothes and toy.

If you could go anywhere, where would you rather be - at the seaside, in the mountains or in the country?
I would be in seaside or in Netherlands, because I really like this country.
And what would you take with you?
I would take clothes, Dcs, phone, books, backpack...
And what would you do?
I would swim, definitely photography the surroundings and definitely having fun.

If you could go anywhere, where would you rather be - at the seaside, in the mountains or in the country?

I would be at the seaside.

And what would you take with you?

I would take my family and my dog.

And what would you do?

I would swim.

Zadnji teden pred prvomajskimi počitnicami je vaša naloga ponoviti to, kar smo v 5 tednih naredili. Kaj to pomeni?

Preberite svoje zapise naglas.

Upoštevajte poprave.

Pokličite sošolko/sošolca in ga prosite, da ji/mu preberete eno-dve nalogi.

Sošolec/sošolka vas lahko popravi.

Ista sošolka/sošolec zdaj vam prebere svoje.

Še malo poklepetate ;).

Na mail mi sporočite, kako vam je šlo. Velik pozdrav in lepe počitnice učiteljica Ivana

S skupnimi močmi pripravimo učence za življenje.
